## DETAILED ACTION

### *Claim Rejections - 35 USC § 102*

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-3, 5 and 7-14 are rejected under 35 U.S.C. 102(b) as being anticipated by Pardo (U.S. 4,498,695). Pardo teaches a lid assembly having an elongated arm 18, a lid 16 and a pin 56. The elongated arm 18 is movable between an upward position and a downward position as set forth in col. 5 line 63 to col. 6 line 11. The downwardly extending boss is the downwardly extending wall 60 of the arm shown in figure 4 adjacent lead line 18. The pin receiving opening of the boss is element 62. The lid has a centrally positioned projection 44 with a pin receiving opening at 54. The condensate rim is shown at 64.

### *Allowable Subject Matter*

3. Claims 4 and 6 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

### *Response to Arguments*

4. Applicant's arguments filed October 7, 2002 have been fully considered but they are not persuasive. Applicant's arguments with respect to the claims have been considered but are moot in view of the new ground(s) of rejection, which were necessitated by the amendment filed October 7, 2002

Art Unit: 3727

*Conclusion*

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
